OpenGL compositor Initialized Succesfully.
Version: 2.1 INTEL-10.2.36
Vendor: Intel Inc.
Renderer: Intel HD Graphics 3000 OpenGL Engine
FBO Texture Target: TEXTURE_2D

Successfully compiled asm.js code (total compilation time 2ms; not stored in cache (too small to benefit)) adblockplus.js
The character encoding of the HTML document was not declared. The document will render with garbled text in some browser configurations if the document contains characters from outside the US-ASCII range. The character encoding of the page must be declared in the document or in the transfer protocol. bg.html
Content Security Policy: The page's settings blocked the loading of a resource at eval ("script-src"). background.js:3764:15
In add-on {d10d0bf8-f5b5-c8b4-a8b2-2b9879e08c5d}, attempting to use listener "notifications.onButtonClicked", which is unimplemented. ExtensionParent.jsm: 1024:5
Using //@ to indicate sourceMappingURL pragmas is deprecated. Use //# instead backbone.min.js:1:25843
